This is it!

The opportunity you have been waiting for!

Seller will pay \$5,000 of buyers closing costs PLUS

Seller says "Let's Make A Deal"

The wait is over!

What will it take to help the buyer into this home?

Let's talk! Absolutely the best value in Stonegate priced for a fast sale. The 747 sq. ft garage includes a single side tandem set up with a rough-in for possible charging an electric car. Total 4 car attached garage with a storage loft. Extra storage space and drywall finish make this a fun garage set away. There is a dog door outside from the garage.
